

Pilot Safety Meeting with FSDO and DPE Perspectives

DPE Randy Vander Weide will present on Stall/Spin events and Clay "Mac" McNaughton from the Des Moines Flight Standards District Office will speak on recent accidents and winter flying. Please pre-register on FAASafety.gov if able. This meeting will be worth credits toward your Flight Review. For those of you receiving this postcard, please register on FAASafety.gov with your email account so you can receive these notices via email in the future. Postcards may not be sent for future announcements.

Directions: The maintenance hangar is located at the Spencer Municipal Airport on the east side of the parking lot.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
